CANCELLATION BY US

It is necessary for there to be a minimum number of passengers in order to operate a tour. In certain circumstances therefore, we may have to cancel your holiday. If this should occur we will return to you all money you have paid to us, or we will offer you a suitable alternative.

PUNCTUALITY

Passengers are asked to be punctual at all times when on a TAF VALLEY HOLIDAY. Times will be given by your tour driver and he will only be permitted 15 minutes waiting time.

RIGHTS OF REFUSAL & PASSENGER BEHAVIOUR

Taf Valley reserve the unconditional right to refuse a booking or terminate a passenger's holiday in the event of unreasonable conduct which in our opinion is likely to cause distress, damage or annoyance to other customers, employees, property or any third party. This includes passengers who fail to advise us of any disability or special needs as outlined in the 'Special Needs' section below. If you are prevented from travelling as a result of such termination, our responsibility for your holiday thereupon ceases. Full cancellation charges will apply and we will be under no obligation whatsoever for any refund, compensation or loss you may incur.

SPECIAL NEEDS

We recognise that not all our holidays will be suitable for people with disabilities and mobility problems. Some tours involve a great deal of travelling and changes of hotels and it is not possible for our driver(s) to provide a sufficient level of care, particularly in cases of poor mobility. If each passenger who has a disability is accompanied by a companion who is able to provide the necessary assistance, and the coach steps can be negotiated then you are most welcome. We are pleased to carry your folding wheelchair or walking frame in the luggage compartment but you **MUST** notify us of your intention to bring one. We regret that due to health & safety we are unable to carry battery powered wheelchairs or mobility vehicles on our feeder minibuses and small coaches, we will only carry them on our vehicles if there is sufficient space in the luggage compartment and a travelling companion is present to lift and handle the mobility vehicle. It is not the driver's responsibility to handle mobility vehicles. Mobility vehicles must be brought to our depot before you book a holiday so we can confirm if the vehicle is suitable to be transported in the luggage compartment of our vehicles. Passengers with these types of vehicles **MUST** board the coach at our depot in Whitland and as space is limited only 1 SMALL mobility vehicle will be allowed per tour. Please do not be offended if mobility is refused as we will not jeopardise the practicalities and smooth running of the tour. Drivers cannot act as carers for passengers at departure, during the journey or on arrival at destination. Our drivers will be happy to provide general assistance to passengers but will not be expected to:

- 1) Provide assistance that extends to bodily lifting and carrying of any passengers on and off the coach.
- 2) Undertake any action that may put their health, safety welfare or the legal requirements for a break in duty at risk.

SUITABILITY OF HOLIDAYS

Please note that some tours can be demanding with several hotels being used. Please read the itinerary carefully before deciding on your holiday to make sure the holiday will be suitable for you. If you are unsure about booking, please contact our office and we'll do our best to advise you and help you make your decision.

SUITCASES

All baggage and personal belongings are carried at owners risk and Taf Valley will not accept any responsibility for any loss or damage except where such loss or damage is caused by proven negligence of the company's employees. Due to the health and safety of our employees you must keep to one MEDIUM sized suitcase per person, maximum weight 18kg (40lb). We reserve the right to refuse to carry suitcases, which exceed the weight limit and ask you to remove any excess weight. On tours where there are overnight hotels it is advisable to take in addition a small overnight bag and your main case can be left in the luggage hold. You can also take a small travel bag or handbag on board the coach.

EUROPEAN FOOD

For our European selection, exploring new cultures is what holidaying abroad is all about and whilst our hoteliers will do their best to provide food for British tastes, they may not always succeed... enjoy the difference.

ALTERATIONS

We reserve the right to alter, without notice, routes, seating plans and itineraries on any tour arranged by Taf Valley.

DEPARTURE POINTS

We pick up at the following:

Cardigan, Cilgerran, Boncath, Blaenffos, Crymych, Ffaiwen, Llandissilio, Clunderwen.

We can also pick up at some villages en route - please enquire. Please do not change your pick up point without informing us first. You are responsible for ensuring that you are at the correct departure point at the correct time, and we cannot be liable for any loss or expense suffered by passengers because of their late arrival at any departure point.

TRAVEL DOCUMENTS

When you have paid the balance we will forward to you all the necessary documents/labels/pick up information. You will receive coach holiday information approximately 7 days before departure. Certain documents such as theatre tickets will be retained by us and given to you on departure.

PASSPORTS

For all continental holidays you will require a British Passport. We cannot accept responsibility if passengers are not in possession of the correct travel documents and no refund can be given to those unable to complete their journey for this reason. Please make sure you are in possession of the EHIC European Health Insurance Card, when travelling abroad.

SMOKING

Smoking is not allowed at any time on the coach. There will be frequent stops to ensure that smokers are not too inconvenienced. Please advise at the time of booking if you require a non-smoking bedroom as some hotels still have smoking rooms available.

HOTEL AMENITIES

All the amenities described in this brochure will normally be available for the enjoyment of our customers. However, some amenities (lifts, swimming pools etc) may occasionally break down or require servicing or cleaning and therefore we cannot guarantee that they will always be available.

HOTEL CLASSIFICATIONS

Any ratings shown are the official ratings of the country concerned, and may differ from normal British standards. Please note in some European countries, especially Austria 'twin beds' can be two separate mattresses in a double frame with single duvets.

IF YOU HAVE A COMPLAINT

If you have a complaint during your holiday, please inform, in the first instance the supplier of the service and then our driver who will do his utmost to resolve the problem immediately. Failing this you must notify us in writing within fourteen days after you return.

SEAT ALLOCATION

Requests for particular seats on the coach can be made when booking and these will remain your seats throughout the tour, but allocations are made on a first come first serve basis so early booking is advisable. We reserve the right to change your seat and allocate you a different one for operational reasons, but this will happen very rarely.

On single bookings we reserve the right to alter your seating to maximise the seating available, this also will happen very rarely. We accept no liability in the event of any such change.

SEAT BELTS

Under the legislation, it is your own responsibility to ensure your seat belts are securely fastened at all times whilst travelling.

SINGLE ROOMS

Single rooms get booked very quickly, and we would suggest that if you are travelling alone you should book early to avoid disappointment.

AS EACH HOTEL ONLY OFFERS A LIMITED NUMBER OF SINGLE ROOMS, WE WOULD ASK THAT WHERE IT IS POSSIBLE TO SHARE A TWIN ROOM WITH A FRIEND YOU ARE TRAVELLING WITH, THAT YOU SHOW CONSIDERATION TO THE SINGLE TRAVELLER BY DOING SO.

Some hotels make a single supplement charge which we must pass on to you. The payment of a single room supplement does not imply that any room allocated will be anything other than a single room.

SPECIAL REQUESTS

If you have any special requests e.g. low floor bedroom, non-smoking room, special diet etc, **THEY MUST BE MADE WHEN BOOKING.** These requests are usually fulfilled; **BUT THEY ARE ONLY REQUESTS AND CANNOT BE GUARANTEED** and we cannot accept a booking conditional on such a request being met. Requests made direct to hotels will not be considered.

CARE OF THE CUSTOMER

We trust that you will enjoy your holiday with us but if there is any reason for you not to be satisfied please inform, in the first instance the supplier of the service and then the tour driver who will do his utmost to resolve the problem immediately. Failing this you must notify us in writing within fourteen days after you return so that we can investigate the matter. We plan our tours to the last detail but cannot be responsible for wars, strikes, mechanical breakdown, flight/ferry delays, accidents, traffic delays or acts of god. Like all other operators we cannot also accept responsibility for any loss, injury, damage or inconvenience caused by the above. Occasionally we may be forced to alter timings, routes, itineraries or hotels, if this is necessary then an inconvenience will be kept to a minimum.

HEALTH & SAFETY ON HOLIDAY

During the journey we provide comfort stops as frequently as possible. During these stops you are encouraged to get off the coach and walk around to reduce any discomfort caused by periods of immobility. You should drink plenty to avoid dehydration. In some foreign countries, standards of infrastructure safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection.

BROCHURE DETAILS

Every effort has been made to ensure that all details enclosed are correct at the time of going to print. The brochure is merely a guide for you to make your holiday choice and we cannot accept responsibility for changes that may occur.

TRAVEL INSURANCE

From 1 January 2009 the sale of Travel Insurance was regulated by the Financial Authority. As we do not hold the necessary authorisation, we are no longer able to offer or advise on Travel Insurance related matters, therefore, you will have to make alternative arrangements. Travel Insurance is available at many outlets for your convenience.

WE STRONGLY ADVISE ALL CLIENTS TO TAKE OUT TRAVEL INSURANCE

It is not compulsory in law to take out travel insurance for a tour within the United Kingdom, but it is compulsory for our tours operating outside the United Kingdom. You will be required to provide us with your travel policy details and emergency contact number when travelling to Europe, Republic of Ireland, Jersey and Isle of Man. We are sorry for any inconvenience this may cause you but the new regulations have made the selling of Travel Insurance more difficult and expensive to operate.

HOLIDAY INSURANCE

Taf Valley will not accept responsibility or any liability, due to the failure of any person to take out adequate insurance cover.

Charity

Here at Taf Valley Coaches we are proud to be supporting not one, but three charities – and have chosen to show this on our brochure to build awareness for them which include The Wales Air Ambulance, Marie Curie and Prostate Cymru.

We want to make aware that Prostate Cancer affects 1 in 8 Welsh men and the risk increases to 1 in 3 if there is a family history of the disease. Prostate Cymru supports treatments and improves equipment for prostate diseases whilst funding research and innovation across Wales.

The Wales Air Ambulance was formed on St. David's Day, 1 March 2001 and operates from bases across Wales. Now operational 24/7, the Charity needs to raise £8 million every year. Wales Air Ambulance offers advanced critical care and is often described as a 'Flying ED'. The on-board consultants and critical care practitioners are highly skilled and carry some of the most pioneering medical equipment in the world.

Marie Curie are there to support everyone in the UK through all aspects of dying, death and bereavement – and they fight for a society where everyone gets to lead the best life they can, right to the end. Marie Curie Nurses care for you in your home, when you need them most, day or night. Their hospices are at the heart of communities around the UK. And their trained volunteers and advisers are there for you when you don't know what to do next or just need to talk. They'll be by your side with care and support every step of the way, bringing light in the darkest hours.
